

SALES EXECUTIVES, EXCELLENT SALARY, UNLIMITED COMMISSION

We are a long established, privately owned company, providing contract hire, vehicle rental and fleet management services to a range of corporate customers who, to our delight, share our preference for dealing with committed, professional, service orientated people, and hate speaking to call centers!

If you have a successful, and demonstrable, track record in sales within the fleet industry, and would prefer to establish your career where you can make a difference, and where your achievements are valued and rewarded, we really want to hear from you.

Our package is what you might expect, and more. We reward success, promote from within, keep incentives simple and work hard to establish an environment that you won't want to leave.

Take the first step by sending your CV to the Commercial Director at the address below or following the steps on our website.
